**(U) NATIONAL****(U) Colorado – Deputy Killed, Two Suspects at Large**

(U) Denver – A sheriff's deputy was shot to death during a confrontation north of Denver and one suspect has been taken into custody and a manhunt is on for two others, authorities said. A spokeswoman for the Adams County Sheriff's Office said deputies were called to an "assault in progress" last night and saw one of the suspects run behind a house. That suspect pulled a handgun and shot the deputy in the chest before fleeing, she said. He was taken into custody a short time later. Investigators set a large perimeter in their search for two other suspects, who remain on the loose.

**(U) Michigan – Two State Police Officers Shot During Investigation**

(U) Union City – A Michigan State Police detective was in serious condition late yesterday after he and a trooper were shot and wounded. Troopers said the two officers were at the home to serve a search warrant in connection with a cold case investigation. The department said that when the officers announced their presence the suspect leveled a long gun at them and they were shot as they attempted to take cover. The suspect in the shooting is dead, troopers said, but did not release other information.

**(U) Mississippi – Two Arrested and 51 Pounds of Heroin Seized**

(U) Rankin County – Deputies in Mississippi arrested two women Monday night on suspicion of drug trafficking after authorities said they found 51 pounds of heroin and a 3-month-old child in an SUV the women were driving. A deputy pulled over a Ford SUV in Rankin County on Monday night for an unspecified traffic violation. Authorities said that during the stop, the deputy became suspicious that the SUV was being used to transport drugs or contraband. Deputies said the women in the vehicle allowed authorities to search the SUV. Inside, deputies said they found 51 pounds of heroin concealed in the vehicle.

**UNCLASSIFIED//FOR OFFICIAL USE ONLY****(U) Canada – Telecommunications Company Confirms Data Breach**

(U) Montreal – Police are investigating a new data breach at Bell Canada, which says hackers have illegally obtained customer information, primarily subscriber names and e-mail addresses. In May of 2017, the company said 1.9 million customer emails and 1,700 names and phone numbers had been exposed. The breach appears to have accessed names and email addresses but did not compromise credit card or banking information.
